Love Gifts-A Thoughtful Way to Remember

Love Gifts are a beautiful and loving way to remember a loved one. Through Love Gifts, we are able to reach out to others with our brochures and newsletters as well as obtain books and other information for our library. We truly appreciate every Love Gift, donation and sponsorship. Our Chapter work is done by volunteers and these donations help us reach out in many ways, including the preparation and mailing of the newsletter.

Thank you!!

As Chairperson of our local Tampa Bay Chapter, I want to personally **THANK** all of the steering committee members and the other volunteers for their hard work, time and effort and for their unending "labor or love" all year long in memory of their own children, grandchildren and brothers and sisters. We would not have a Chapter here in Tampa, a newsletter, website, library, facilitators at our meetings, or outreach to the community if it was not for these dedicated people!

Alan Pedersen has been performing for more than 25 years. An accomplished singer and award winning songwriter, he spent several years writing and recording music in Nashville, Tennessee. Alan has had several songs recorded by other artists. His writing has not been limited to music, he has written commercials, radio news copy, and collaborations for television shows and other comedy projects. His performing credits are numerous as well. Alan has worked as an actor, stand-up comedian, keynote speaker/emcee, and in radio as a network news and sports reporter for Westwood One Communications. Currently living in Englewood, Colorado, Alan is the father of two teenage boys and an angel.

In August of 2001 Alan's life took a tragic turn. His 18-year-old and only daughter Ashley was killed in an automobile accident. This tragedy would take his life in a direction he never imagined. Struggling for months to find answers and trying to cope with tremendous pain and anger, he entered a spiritually based grief program in Denver. He credits this program with saving his life, and inspiring him to honor his daughter's life by helping others. In July of 2003, Alan released a CD of songs he has written about his walk through the valley of grief, titled Ashley's Songbook. Alan now helps others by sharing his story of faith and hope. His message is simple; grief and loss offer the opportunity for ordinary people to accomplish extraordinary things. He believes that healing begins when we once again give of ourselves by helping others. Alan speaks and plays his music for churches and grief organizations around the country. In 2005 he is planning the release of a new music CD, A Little Farther Down The Road, and a book titled Growing Through Grief. Alan speaks and plays his music for churches and grief organization around the country and on Saturday, March 3, 2007, he will be in Tampa performing his music for us! Location to be announced at a later date!

LISTEN WITH YOUR HEART

By Helen Steiner Rice

Memories are a treasure
Time cannot take away...
So may you be surrounded
By happy ones today.
May all the love and tenderness
Of golden years well spent
Come back today to fill your heart
With beauty and content...
And may you walk down Memory Lane
And meet the child you love.
For while you cannot see them
They'll be watching from above...
And if you trust your dreaming
Your faith will make it true...
And if you listen with your heart...
They'll come and talk with you.
So for their sake be happy
And show them that their love...
Has proven strong and big enough
to reach down from above.
And you will never walk alone
When memory's door swings wide
For you'll find that your beloved child
IS ALWAYS AT YOUR SIDE.

*"The less we have, the more
we give. Seems absurd, but
it's the logic of love."*

Mother Teresa

I KNOW YOU BY HEART

*Written By Alan Pedersen
Copyright 2002*

There's time and space between where we are and
where we've been

I grieve for what I cannot have or ever hold again
Just when I think I'm all alone cause you're so far
away

It suddenly occurs to me I see you everyday

You're that hint of inspiration urging me to carry on
A boost of needed energy when all my strength is
gone

You're a single shining ray of hope when faith is
hard to find

And twenty-twenty vision when grief has left me
blind

You're a lonely roads companion when it's hard to
find a friend

A much needed reminder that good-bye is not the
end

You're calm and reassurance when I scream for
answers, why

A gentle voice that whispers daddy it's okay to cry

You're part of everything I am and all I'll ever be
The one who when I'm at my worst still sees the
best in me

And though you're just outside my reach we are
never far apart

I recognize you everywhere child I know you by
heart.

Remembered Valentines

*Little hands, dimpled and fair,
you're pasting lace on chair and hair
and everything else within your reach.
But oh, the smile that lights your face
when you bring your valentine and place
it in my hands: Look, Mom; for you.*

You pause to watch for my delight.

*I'll never know as fair a sight
as seeing love shine in your eyes.*

I hope as age creeps up on me

*I'll never lose my memory,
for that's where I still play with you.*

It's not just that you're grown; you're gone!

*Except in memories and dreams at dawn
of you and us and happy times*

*by Shirley Ottman
BP/USA North Texas
From "The Slender Thread"*

AND WHEN WE HAVE
REMEMBERED EVERYTHING,
WE GROW AFRAID OF
WHAT WE MAY FORGET.
A FACE, A VOICE, A SMILE?
A BIRTHDAY? ANNIVERSARY?
NO NEED TO FEAR
FORGETTING BECAUSE --
THE HEART REMEMBERS
ALWAYS.

~ SASCHA WAGNER

VALENTINE'S DAY

DID YOU KNOW:
WHEN YOU TRULY LISTEN
TO EACH OTHER,
YOU SAY
I LOVE YOU.

SASCHA WAGNER

I'M THERE INSIDE YOUR HEART

Author Unknown

Right now I'm in a different place,
And though we seem apart,
I'm closer than I ever was...
I'm there inside your heart.

I'm with you when you greet each day
And while the sun shines bright,
I'm there to share the sunsets, too...
I'm with you every night.

I'm with you when the times are good
To share a laugh or two,
And if a tear should start to fall...
I'll still be there for you.

And when that day arrives
That we no longer are apart,
I'll smile and hold you close to me...
Forever in my heart.

Time does restore to us
our quiet joy in the
spiritual presence of those
we love, so that we learn to
remember without pain,
and to speak without chok-
ing up with tears. But all
our lives we will be subject
to the sudden small re-
minders that will bring all
the old loss back over-
whelmingly.

~ Elizabeth Watson

"There will come a day when
the tears of sorrow will softly flow into
tears of remembrance... and your heart
will begin to heal itself... and grieving
will be interrupted by episodes of joy...
and you will hear the whisper of hope.
There will come a day when you will wel-
come the tears of remembrance... as a
sunshower of the soul... a turning of the
tide... a promise of peace. There will come
a day when you will... risk loving... go
on believing... and treasure the tears of
remembering." ~Author unknown

THE SPACE BETWEEN THOUGHTS

You are no longer in my thoughts constantly.
You are now dwelling in the space between thoughts,
a part of my every moment,
whether joyful or sad or in between,
or both simultaneously.
I walk, talk, work, play, and you surround me.
You are in the sparkle of my smile
and the wisdom in my thinking,
the rainbow circles in my life.
As I breathe and live, you breathe and live.
As I learn, you are teaching,
not only me, but all those who are in my life today.
You are a blessing, Dear Child, for all you were,
and all you are,
and all you forever will be.

~Genessee Bourdeau Gentry

Together By: Emery Nester

A man was walking in the wilderness. He became lost and was unable to find his way out. Another man met him. "Sir, I am lost, can you show me the way out of this wilderness?"

"No," said the stranger, "I cannot show you the way out of the wilderness, but maybe if I walk with you, we can find it together."

Our Credo

We are the parents whose children have died. We are the grandparents who have buried grandchildren. We are the siblings whose brothers and sisters no longer walk with us through life. We come together as Bereaved Parents of the USA to provide a haven where all bereaved families can meet and share our long and arduous grief journeys.

We attend monthly gatherings whenever we can and for as long as we believe necessary. We share our tears, confusion, anger, guilt, frustrations, emptiness, and feelings of hopelessness so that hope can be found anew. As we accept, support, comfort and encourage each other, we demonstrate to each other that survival is possible.

Together we celebrate the lives of our children, share the joys and triumphs as well as the love that will never fade. Together we learn how little it matters where we live, our color, our affluence, or what faith we uphold as we confront the tragedies of our children's deaths. Together, strengthened by the bonds we forge at our gatherings, we offer what we have learned to each other and to every more recently bereaved family.

We are the Bereaved Parents of the USA.
We Welcome You.
